

William A. Graber, MD, PC  
Weight Loss Surgery

## **OFFICE CLOSED to NON-ESSENTIAL Appointments**

Starting Monday 3/23/2020 our offices are temporarily closed to non-essential appointments and WEIGHT CHECKS, due to COVID-19. If you still need a March weight check for insurance – we will call you to do this by phone before the end of March. We will reach out to reschedule appointments when full operations resume. If you are not feeling well, please call us so that the on-call provider can assist you.
